FRANK HUSSEY ELECTED PRESIDENT OF IRISH TAXATION INSTITUTE

Mr Frank Hussey has been elected President of the Irish Taxation Institute at its annual general meeting in Dublin last night.

In his inaugural address, Mr Hussey said: “The Institute is making a submission to the Minister for Finance in relation to the recently published report of the Revenue Powers Group. We will be impressing on the Minister, the need to implement the recommendations contained in the report in relation to the right of taxpayers to have the authority to appeal all decisions made by Revenue. Mr Hussey, stated that, there needs to be a facility to challenge the implementation of Revenue powers where taxpayers feel that they are being used excessively.

We all accept that Revenue have a job to do. However, we must continue to ensure that there is a fair balance in the implementation of revenue powers.”

Tralee, Co. Kerry, born Frank Hussey is Senior Partner at LHM, chartered certified accountants, in Dublin.
