

International Tax Manager

Financial Services

Brief Job Description

A rapidly expanding US multinational is looking to hire an International Tax Manager to be based in Dublin. This is a broad role involving planning and co-ordination of tax provisions for European operations. Reporting to the Director of International Tax, this role offers excellent opportunities for rapid progression. US GAAP experience highly desirable.

Requirements for this Role

The role will suit a Big 4 trained AIT qualified candidate with a minimum of 3 years PQE gained working within practice or with a large multinational.

About Our Client

Our client is a leading US multinational.

Remuneration

Excellent salary and benefits package on offer for the successful candidate.
