

Tax Consultant – R&D Tax Credits

Dublin City Centre

Leyton is the market leading provider of R&D Tax Credit services to many of Ireland's most innovative companies. We work closely with our clients to ensure that their R&D Tax Credit claims are optimised and fully supported.

Due to the continued growth and success of our business, we are looking to recruit a dynamic and ambitious tax consultant to work within our multi-disciplinary R&D Tax Credit team. Our team is not only made up of tax professionals and accountants. You will have the opportunity to work with highly skilled and experienced engineers and scientists in the delivery of bespoke solutions to our clients.

The successful candidate will have a proven track record of working on complex issues to tight deadlines. He/she will be a team player with the ability to work on their own initiative. This is a client facing role working with clients in a wide range of industry sectors.

The successful candidate will report to the R&D Consultant Manager.

Duties will include:

- Ensuring each R&D Tax Credit claim meets the requirements of the relevant tax legislation and guidelines;
- Identification of qualifying R&D expenditure and calculation of R&D Tax Credit;
- Project Management of claims i.e. continuously liaising with clients, colleagues and Revenue to ensure claims are optimised and deadlines are met;
- Review of tax technical issues;
- Support of R&D Tax Credit claims in the event of Revenue Audit/enquiries.

An ideal candidate will have the following:

- Tax Background –IT1 qualified or part qualified with at least 2 years experience, preferably in corporation tax. Experience in R&D Tax Credits will be an advantage. The role may also suit an accountant with relevant tax experience.
- Revenue Audit Experience.
- Excellent organisational skills, communication skills and IT skills are essential.
- Awareness of and interest in scientific/technological developments.
- Team Player and ability to work on own initiative.

Salary: DOE

This role is available immediately and interested candidates should forward their CV to Eoin at ebrennan@leyton.com.
